

Alternative route to Radford University

Take **Cecil's Chapel** to **Lead Mine Road**, Turn LEFT.

Go until you cross a bridge that ends with a **Stop** sign. Bear right.

You will still be on **Lead Mine Road** which is also called **Childress Rd.**

Go approx 3-4 miles, down a hill and **turn left onto rt. 600** also called **Tyler Avenue**. Tyler takes you by the hospital.

Stay on this road and it takes you straight by the RU Campus.

It may seem like you are going too far, but you will go by a very large cattle barn, several farms, Snowville Elem School as well as through what is left of the old town of Snowville. And then by Attimo winery. Be prepared to turn left onto Tyler Avenue shortly after you pass the winery.
